**“We have to love until it hurts. It is not enough

 By giving until it hurts.”**

Did you know...Child abuse can occur in every culture and every socio-economic demographic. Peer reviewed research, especially that of the past 30 years, repeatedly shows this to be true. This same research indicates that the vast majority of child abuse occurs at the hands of someone known to the victim. Those who seek to do harm to children will pursue opportunities that provide access to children & may even ingratiate themselves into the home. You can protect children by respecting the safe environment protocols established at youth serving organizations. More importantly, you can implement many of these protocols in your home & be ever observant & vigilant in all public & private settings.

**Reflection on the Gospel-**“Easter is the final triumph of life over death, of love over evil, of God’s kingdom over tyranny and oppression. That is good news the world needs to hear. Do we live as if Christ has truly risen from the dead? Are we willing to share this good news with others, like Peter does in our first reading? Like Paul does in his letters? God has won our salvation, our freedom in Christ Jesus our Lord. What else is there for us to do than to share this gospel?” -*Living Liturgy tm, Easter Sunday of the Resurrection of the Lord 2025*

**Pro-Life Quote-**“Like us, Christ entered the world through the womb of a woman. He willingly experienced the fullness of human suffering. He breathed his last on the Cross at Calvary in order that He might save us. Therefore, ‘God is the foundation of hope: not any god, but the God who has a human face and who has loved us to the end’ (*Spe salvi* 31).” USCCB Secretariat of Pro-Life Activities, “Respect Life Reflection: Christ Our Hope in Every Season of Life” (citing Pope Benedict XVI, *Spe salvi* ©2007, Libreria Editrice Vaticana.
