**Reflection on the Gospel**-Some worry that today’s gospel implies  
that disciples are basically dumb sheep, easily led by deception.  
But is the gospel implying this? The metaphor falters when we  
notice that it emphasizes the intimate knowledge the sheep have of  
the shepherd and vice versa (10:14). Indeed, in the vocabulary of  
the Bible, “to know” another oftentimes refers to sexual intimacy.  
Moreover, the intimacy between Jesus and “his own” reflects the  
relationship he has with the Father (10:15). It is an intimacy that is  
expressed ultimately in loving self-surrender, even unto death.  
-Living Liturgy tm, Fourth Sunday of Easter 2024

might be manifested; otherwise it would seem that the good was  
done by the clay, rather than by the Spirit.”

**Pro-Life Quote**-“Suicidal individuals—with or without a terminal  
illness—typically do not want to die; they want to escape what they  
perceive to be an intolerable situation, and they inaccurately believe  
that suicide is their only way out. The patient requesting assisted  
suicide is often asking, ‘Does anyone want me to be alive, or care  
enough to talk me out of this request and support me through this  
difficult time?’” *USCCB Secretariat of Pro-Life Activities, “Every

**APRIL IS NATIONAL CHILD ABUSE PREVENTION  
MONTH**-Did you know...Child abuse can occur in every culture  
and every socio-economic demographic. Peer reviewed research,  
especially that of the past 30 years, repeatedly shows this to be true.  
This same research indicates that the vast majority of child abuse  
occurs at the hands of someone known to the victim. Those who  
seek to do harm to children will pursue opportunities that provide  
access to children & may even ingratiate themselves into the home.  
You can protect children by respecting the safe environment  
protocols established at youth serving organizations, More  
importantly, you can implement many of these protocols in your  
home & be ever observant & vigilant in all public & private  
settings.
