Dear Friends and Supporters,

The Disch-DeClouet Social Service Center has been serving the poor and needy of Iberia Parish for 48 years. We are able to keep our doors open to help those in need only through the gracious generosity of this wonderful community. By far, the largest percentage of our financial supporters are individuals who are willing to share their resources to assist others. Your support is greatly appreciated and very much needed.

The Center is a non-profit organization providing critical and basic human needs (food, clothing, utility and rent assistance and other help). Our Mission states that we treat all clients with dignity, respect and cheerfulness: counseling our clients on personal and financial issues, encouraging them in their illness, grief and troubles, as well as praying with them. All of the assistance provided by our center is at no cost to our clients. We have no paid staff – all of us are volunteers and we are diligent stewards of the money and goods that are donated to the Center.

Each day we open our doors, our staff cheerfully greets clients that have come to the Center for many years, other clients we see every few months, some that we have not seen in years, and many new clients seeking help in any way possible. Our Center partners with the New Iberia Homeless Shelter in providing funds to house homeless women and children in our community, as well as assistance with employment needs.

As we enter into this Lenten season, we ask that you prayerfully consider donating to our 2025 Annual Campaign. Please use the enclosed envelope for your tax-deductible donation. Please include your email address as we are continuously working to update our database. May God bless you and your family abundantly for your generosity!

The Disch-DeClouet Social Service Center, a non-profit organization, serves the poor and needy of Iberia Parish, with immediate assistance for critical and basic human needs. The assistance is provided free of charge and without a waiting period.

Our mission includes treating all clients with dignity, respect, and cheerfulness; counseling them on personal and financial issues; encouraging them in their illnesses, grief and other troubles; and praying with them.

The Social Service Center is run by dedicated, permanent volunteers who commit their time to helping families. These individuals are diligent stewards of the money that is entrusted to the Center. In fact, \$.90 of every \$1.00 donated to our Center goes directly to providing services to the clients - our neighbors right here in Iberia Parish.

There is no better time to support the Disch-DeClouet Social Service Center than now, and we need **YOUR** help! We ask that you prayerfully consider *investing in those less fortunate by sharing your gifts*. Please use the enclosed envelope for your tax deductible donation. May God bless you for your gracious generosity!
